

Round and Round

Ukulele

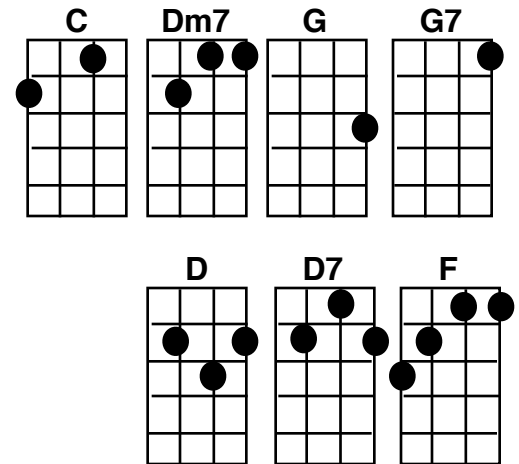

C
 Find a wheel and it goes round, round, round,
Dm7 G C G7 C
 As it skims along with a hap-py sound,
G7 C
 As it goes along the ground, ground, ground
Dm7 G C
 Till it leads you to the one you love.

C
 Then your love will hold you round, round, round
Dm7 G C G7 C
 In your heart's a song with a brand new sound,
G7 C
 And your head goes spinning round, round, round
Dm7 G C
 'Cause you've found what you've been dreamin' of.

F Dm7 C
 In the night you see the oval moon
Dm7 G7 C
 Going round and round in tune,
F Dm7 C
 And the ball of sun in the day
D D7 G G7
 Makes a girl and boy wanna say.

Baritone chords

C
 Find a ring and put it round, round, round,
Dm7 G C G7 C
 And with ties so strong that two hearts are bound,
G7 C
 Put it on the one you've found, found, found,
Dm7 G C
 For you know that this is really love.

G7 C G7 C
 Find a ring, put it on, **4 4 2 1 1 4 4 2 1 1 4!**
Dm7 G7 C Dm7 G7 C Dm7 G7 C
 For you know that this is really love, Really love, really love.
