

Dream a Little Dream of Me

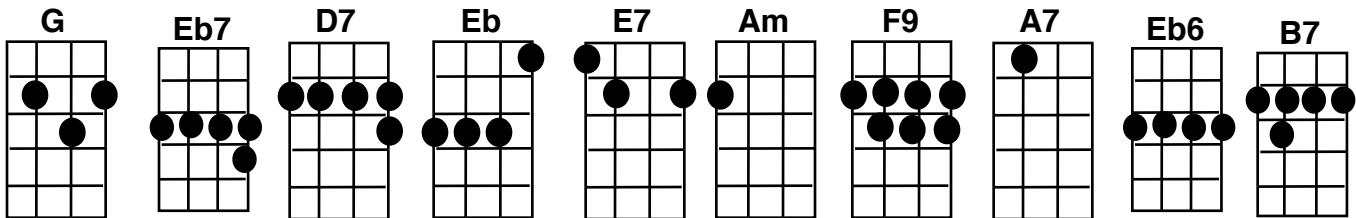

G **Eb7 D7 G** **E7**
Stars shining bright above you, night breezes seem to whisper "I love you"
Am **F9** **G** **A7** **D7**
Birds singing in the sycamore tree, dream a little dream of me.

G **Eb7 D7 G** **E7**
Say "nighty-nite" and kiss me; just hold me tight and tell me you'll miss me
Am **F9** **G** **Eb7 D7 G**
While I'm alone and blue as can be, dream a little dream of me.

Eb Eb6 Bb7
Stars fading but I linger on dear
Eb Eb6 Bb7
Still craving your kiss
Eb Eb6 Bb7
I'm longing to linger til dawn dear
Eb D7
Just saying this:

G **Eb7 D7 G** **E7**
Sweet dreams till sunbeams find you, sweet dreams that leave all worries behind you
Am **F9** **G** **Eb7 D7 G**
But in your dreams whatever they may be, dream a little dream of me.
