The name of the place is "I Like It Like That"

**A**

Now I know a place across the tracks

The name of the place is "I like It Like That"

Now you take Sally and I'll take Sue

**E7**

And we're gonna rock away all of our blues

**A**

Last time I was down there I lost my shoes

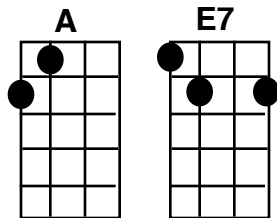

They had this cat he was shoutin' the blues

The folks was hollerin' out for more

**E7**

But all I could say was....

## Ukulele

## Baritone
